Everyone has to participate and planning models in ECEC

Jyrki Reunamo, University of Helsinki, 18th May 2013 At the National Dong Hwa University

HELSINGIN YLIOPISTO HELSINGFORS UNIVERSITET UNIVERSITY OF HELSINKI

A road is a good model to use when we already know where we are going and how we should get there.

HELSINGIN YLIOPISTO HELSINGFORS UNIVERSITET UNIVERSITY OF HELSINKI

A marketplace is a good model when we want the learning environment be as fertile and rich as possible.

Sun model ignites creativity, humor, testing and possibilities. It is a practice of affordances and calls for participation.

HELSINGIN YLIOPISTO HELSINGFORS UNIVERSITET UNIVERSITY OF HELSINKI

SUN

research and development project

River is an adventure with some fixed points in the river, dangers below and possibilities above. It calls for a shared process.

RIVER

THE MODELS COMPLEMENT EACH OTHER

In the end the models make a whole where new ideas are produced and tested and development is based on feedback.
